Description

This Craftsman-made SOLID OAK LIGHTHOUSE TABLE LAMP dates from circa 1910. It is well-detailed, particularly the brass steps and handrail leading up the craggy rock from the shore and the two steps leading up to the door. The LAMP is a good weight and has a good patina. Rewiring by a Qualified Electrician is required before use. Height: 14 inches (36 cm) not including the top fitting. Express delivery within the UK is included. We ship Worldwide and are happy to quote for Overseas Shipping on request.
