Description

You are viewing a gorgeous antique specimen cabinet in the Chinese manner. We date the piece to circa 1900 and it features a plethora of intricate hand-painted Chinoiserie. The two doors open out to reveal the numerous drawers inside. On every surface - inside doors, drawer fronts, sides of cabinet - is incredibly detailed Chinoiserie. Chinese figurines, ladies, pagodas, temples and foliage abound. The top half comes apart from the bottom base for ease of transport. Cabriole legs stand on painted ball and claw feet.
