Description

A charming antique Victorian period stool in solid mahogany. This was made in England, it dates from around the 1860-1880's. It is of excellent quality, with beautifully turned legs and a cross stretcher base for stability. We have had the solid mahogany re-polished and the seat has been re-upholstered, it is in lovely condition for its age. There is a historical repair on one leg, seen in the images, this is still very strong and sturdy. The makers stamp is seen beneath the seat, "D. Tomson Maker Leicester".
