Description

A very large Victorian overmantel mirror. This stunning original mirror is in very good condition with no visible damage only the slight scuffs you would expect of an item of this age. It's extremely large and I do believe there can't be many on the market of this size. The mirror is surrounded in a solid mahogany frame with a gilt bevel edge towards the mirror. The mirror itself shows a lovely sparkle which can be seen close up and shows it's originality. A good panel back at rear which even has some original dispatch labels. Item is collection only from LL29 or please contact seller for possible delivery quote.
