Description

Introducing the epitome of elegance and style - an exquisite antique continental gilt metal six arm chandelier Circa 1910. Restored and rewired ready to hang. This magnificent piece measuring 100cm in height showcases the grandeur of traditional design, with its intricate detailing and opulent appeal. Beautifully crafted and finished in a gilt metal finish, this chandelier is a true testament to the artistry of the past and was sourced in Eastern Europe. Featuring six gracefully curved arms in the form of branches, this chandelier offers a radiant glow that will illuminate any space with a warm and inviting ambiance with your choice of bulbs. The elaborate detailing on the arms and center column adds an extra touch of refined beauty, creating a captivating focal point for any room.
