Description

A stunning antique Swedish inlaid satin birch cabinet, dating from the 1920's. This is of outstanding quality, it is beautifully made and is a very useful size. It is predominantly satin birch, the doors are walnut and have inlaid marquetry of various woods, depicting two classical characters that appears to be Adam and Eve eating from the tree of knowledge. The doors have keys and open to reveal two adjustable shelves that run across the whole interior. We have had this stripped and re-polished to a very high standard, the condition is superb for its age. There are just a few minor marks here and there remaining beneath the polish. Width – 45 inches , 114 cm Depth – 12 inches , 30 cm Height – 31 inches , 79 cm
