Gents 1950s Cyma Navystar wristwatch

Price

Sold

Item Reference: SA1008595

Date of manufacture: 1950

Description

Gents 1950s Cyma Navystar wristwatch. The watch has a signed 17-jewel hand-winding movement which is working nicely. The movement is the calibre R486 model which was in production from 1953 until 1960. The watch measures 35mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in good condition with just general light marking, nothing too serious at all. The lens is in lovely condition. The signed dial is in its original finish with original dauphine shaped hands and centre seconds hand. There is light marking across the dial. A new leather strap has been fitted. The watch comes in a new presentation box.
