Victorian silver medical etui

Price

GBP 275

| USD \$371 | EUR 322

Item Reference: SA1008734

Date of manufacture: Victorian

Description

A quality silver medical etui containing two lancets, one marked "damaste" both are a tight fit. The etui opens by pushing the button on the side, it has had little use hence opening it is quite stiff. Good clear marks to the base, London 1859, makers mark H.C possibly Henry Crowder? Lovely crisp engine turning to the front and back, with foliate decoration around top edge, middle and bottom edge. Empty cartouche to front. PLEASE NOTE THAT THIS ITEM CANNOT BE SHIPPED OUTSIDE THE UK. H 6 cm W 2.5 cm D 0.5 cm
