Description

This is rather a majestic piece of Ridgway . It is a blue drab ice pail with lid, with these large twin handles . The lid with a cornucopia of fruit . The cornucopia has been re attached at some stage ..it is very hard to see the mend ..so I have not had it restored , there is a chip on the underside of the cornucopia ..this again is unnoticeable from the top . 38 cms high and 40 cms from handle to handle
