Description

Art Nouveau pocket watch holder with watch. An unusual Art Nouveau pen-work pocket watch holder in the form of a longcase clock. The holder stands at 12¾" high. Also included is a Swiss Revue pocket watch with a calibre 30 stem-winding movement which is working well. The movement is signed with the retailer's name, Mahlen. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel and the condition is good, just a little unevenness to the hinged case back. The glass lens is in good condition (some reflection showing in the photos), as is the dial.
