Description

We are very excited to be able to offer you this superb 1930's Art Deco chest of drawers, the quality of which is not often seen. Raised on curved supports are five graduated in size drawers, offering plentiful storage for your folded clothing. Not only does this chest of drawers offer great storage but also the best in kerb appeal. The colouring is that of a mid tone honey heavily figured walnut veneer. The figuring on the veneers are an absolute delight and if you're like me and love Walnut you'll adore this! Added to the drawers are the set of ten original Brass pull drawer handles, all in great condition, no discolouring or chips. The overall finish is a deep shine (not gloss) and is smooth as cotton to touch. It feels and looks luxurious and it is, this piece definitely won't disappoint. Fully and professionally restored and ready to be delivered, no faults to note. Free UK mainland delivery
