Description

A smart and very useful antique inlaid mahogany nest of four tables. They were made in England, they date from around the 1900-1920 period. The quality is excellent, they are a good size with a lovely design. The four tables all have beautiful tops with inlaid oval flame mahogany centres and cross banded edges. They have curved stretched bases and nest smoothly beneath one another. We have had them recently re-polished, the condition is very good for their age. There is just some minor wear and some slight cracking to the veneer on top of one of the tables, seen in the images and commensurate for age. Width – 20 inches , 50 cm Depth – 14 inches , 36 cm Height – 28 inches , 70 cm
