Description

An extremely rare opportunity to acquire a 19th Century Life Size Bronze Fountain. This came from a good house in the Paris Suburbs. A beautiful maiden leans on an elephant's head. Very well modelled by the sculptor he has captured the scene. Its is lovely original condition having a lovely slightly weathered patina. Would look amazing as an impressive focal feature in a garden or could be placed inside equally well. Height 184 cm Width 78 cm Depth 68 cm
