Description

A wonderful piece of Arts & Crafts design. Silver sugar sifter, "lighthouse" shape, hand hammered finish to the body, nicely pierced top. The top pulls off, but is designed to turn around so sifting could be controlled instead of just shaking, great idea. Makers mark for Sandheim Bros, London 1915. Great overall condition. Weight 6.74 ozs. 191.2 grms Height 16 cm W of base 8 cm
