Description

A fabulous French Art Deco table lamp that dates to the 1930's. It has a marble base with a chrome lamp stand and a dog looking up at the light which is a light green and grey glass globe. Has been rewired with period silver flex, I have kept the original French light green bakelite switch and it has been PAT tested. The marble base measures 11 inches wide, and 4 inches deep, the height to the top of the glass shade is 14 inches high. A really attractive light, which is very indicative of the Art Deco age, that would suit a period or contemporary home. Delivery to the UK is free, if you require a price to ship overseas.....please contact me for a quote.
