Description

A lovely example of a folding backgammon set dating from the early 20th century. The box is made of a good quality mahogany and it has a black and gilt painted interior forming the board. It comes with 30 original turned counters and 3 small dice. The set is in good condition for its age. The box is showing some signs of age and use and there are a few minor knocks and marks but nothing detrimental. The interior of the board itself is slightly worn but has a lovely aged patina and is certainly very usable. The best description comes from the photographs so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
