Description

Wonderful pair of 19th century Spanish X framed "hip joint" hall chairs on lions paw feet, circa 1880. These are very decorative with their shaped frames and lions paw feet, but also they are pretty well unrestored, so they have a very original look to them...they are cleaned, but haven't been polished or reupholstered...but can be if you would prefer them to be. Being "hip joint" chairs, they do fold so they can be easily moved but they don't compromise on comfort...these are surprisingly comfortable! The upholstery is well worn and mar ked, but I rather liked them as they are now, so have left them but they can be fully reupholstered in your own choice of fabric if you would prefer. Good solid frames, the hip joints hinge smoothly, sturdy to sit on. Priced as a pair and as you see them. Measuring: 35 1/2 inches or 90 cm high 28 1/4 inches or 71.5 cm wide 22 1/2 inches or 57 cm maximum depth 18 1/2 inches or 47 cm central seat height
