Description

A good example of a small solid silver ring tree. The 'tree' stands on an ornate embossed dish. It is stylish and good quality, weighing approximately 43g. It is clearly hallmarked for Birmingham, 1905 and the maker Samuel M Levi. It is in good condition for its age. There are some faint surface marks and a few minor dinks around the rim but no major damages and it displays well. It has been gently cleaned and polished and is ready for use. Approximate Measurements : Height : 3 1/2" (9cm) Diameter of Base : 4" (10cm) The best description comes from the photographs so please look at them all carefully and if you have any questions just ask.
