Description

An impressive William IV mahogany library table with a large tabletop raised on wonderfully decorative turned, carved and octagonal fluted legs leading to bun feet with hidden castors, united by a finely turned stretcher. Very good condition, structurally all in good order with some attractive aged wear and patina. The stretcher has some relatively minor old aesthetic surface damage as shown but this is to the underside so not particularly visible. English, circa 1830's. H: 75 W: 107 D: 56 cm
