Description

An eye-catching sterling silver compact with a sky blue guilloche enamel fanning out in typical art deco style. This is pre-war. It's in extremely good condition and there are no chips or pieces missing. The enamel is immaculate. There obviously is some signs of wear and use but it is minimal. Once opened the case has a lovely gold gilt inlay with hallmarks. The mirror is undamaged and has no cracks. There are some marks and wear inside but not much. The reverse side has a plain silver pattern and a patina. It can be left as it is or polished for a more modern, cleaner look. Beddoes and Co Birmingham 1934 Weighs 49 g
