Description

A fine 19th century cast iron stick stand, possibly by Coalbrookdale, with original removable drip trays in place. Very good overall condition, structurally in good order with a nice aged patina. There is some very old damage with a section missing to the rear corner of the piece which is reflected in the price but when placed against a wall this is hardly noticeable. Purchased together with a Coalbrookdale stand but this one is unmarked. English, late 19th century. H: 61 W: 66 D: 20 cm
