Description

An Arts & Crafts library chair with rush seat, extensive carved decoration and raised on four finely turned legs. A truly impressive piece. Incredibly heavy, solid and robust. Very good condition, structurally all in good order with just some light age related surface wear including some minor bits of damage to the original rush seat as shown but this is not particularly noticeable and doesn't affect the comfort of the chair. English, circa 1900. H: 106.5 W: 59.5 D: 61 cm Seat height: 43 cm
