Description

Circa 1840. George III style painted and gilded marble top demi lune console table. The D shaped top in pink variegated marble with rich veining sitting on a classic Adam style base with a deep frieze with gilded beading, urns, swags tails and carved patrae, beneath this there is a proud gilded beading. The table rests on four square tapering and fluted legs with the inside of the fluting gilded, the legs are braced by three concave, carved and gilded stretchers, with foliate carving on the top and brass flower heads on the facing, with a small carved patrae beneath the fluting, the table stands on four simple square feet.
