Description

We are very pleased to be able to offer you this superb 1930's Art Deco chest of drawers. Raised on an ebonised plinth are five good sized drawers, offering plentiful storage for your folded clothing. Not only does this set of drawers offer great storage but also a great visual appeal. The front of the chest curves to make what is referred to as 'bow front' and is unusual for Deco pieces. The figuring on the veneers are an absolute delight and if you're like us and love Walnut as a wood you'll adore this! Has it's original makers label, inside a drawer. Stating 'Mark Rowe & Sons Ltd, Exeter and boasting themselves as full house furnishers and undertakers! of all things. Added to the drawers are the set of ten original bakelite & solid Brass pull drawer handles, all in great condition, no discolouring or chips. The overall finish is a deep shine (not gloss) and is smooth as cotton. It feels and looks luxurious and it is, this piece definitely won't disappoint. All drawers work smoothly and without effort. Fully and professionally restored and ready to be delivered. FREE UK mainland delivery
