Description

Antique Edwardian French quality brass miniature carriage clock having a quality brass case with shaped corners and bevelled edge, glass panels, shaped carrying handle to the top, white enamel dial with an 8 day French movement. A charming example in wonderful original condition and in good working order. Dimensions: Height 10 cm (3.93 in) Width 5.2 cm (2.04 in) Depth 5 cm (1.96 in). Dated 1900. Condition / Servicing Note: Please note that antique clocks are complex and sensitive mechanical objects. While some clocks may be running at the time of listing we cannot guarantee ongoing performance without a full inspection and testing period by our specialist horologist. Where inspection, testing, or servicing is required this process can take between 2-12 weeks depending on the clock, the work needed, and current workload. This careful approach helps ensure the clock is properly assessed rather than rushed. Clock Warranty: All clocks purchased from London City Antiques are supplied with a 12-month warranty from the date of purchase. This warranty covers mechanical faults and failures arising from normal use. It does not extend to damage resulting from improper handling...
