Description

A large stunning pair of antique leather armchairs. They were recently imported from Sweden, and they date from around the 1890's period. Their quality is exceptional, they are very well built, extremely comfortable & a generous size. The frames are sturdy, with beautiful curves, and they sit on gorgeous mahogany legs. We have had the leather revived and hand coloured by our leather restorer, the colour and patina are beautiful. These are in lovely condition for their age, with only some extremely minor wear to be seen. Width – 36 inches , 92 cm Depth – 30 inches , 76 cm Height – 29 inches , 74 cm
