17th Century Charles II Oak Chest of Drawers C. 1680

Price

Sold**Item Reference: SA1010711****Date of manufacture: 17th Century**

Description

A superb 17th-century Charles II geometric chest of drawers. It features a rectangular planked top . The chest has four long drawers, lined with oak , brass drop handles, escutcheons. It stands on its original stile feet . Outstanding rich warm colour and deep patina throughout. This piece was constructed in England around 1680, A really beautiful example . The chest is made using thick oak planks, giving it a substantial and impressive presence. The drawers open and close smoothly . This chest is in very good antique condition, with the expected signs of age and use, enhancing its character and authenticity, adding to its overall appeal. It would make a wonderful addition to any home. 103cm high x 111cm wide x 58cm depth UK Delivery: 70 GBP
