Description

A fantastic oak pedestal desk with a compact surface and plenty of drawer space, ideal for any home office. Two short drawers flank one long one across the top, with a key that locks all three drawers. The second drawer down on the left is made with handy drawer dividers to help keep items organised, and the third and fourth drawers down on the right combine to make one double-height drawer, perfect for storing larger files. Complete with the Heal's makers label, and with beautiful dovetail joinery throughout and evidenced by its weight that it is made of quality oak wood, this desk is sure to be a proud focal point in any room in the home. This desk comes in great condition with little exterior evidence of previous ownership.
