## Description

A lovely Victorian pine farmhouse table dating from the late 19th Century. It has a thick planked top and stands on turned tapered legs with a single drawer to one end. The top has a lovely mellow colour and nice aged patina and the legs have a traditional darker finish. It is a good size for 4-6 people and the legs have been tipped to make it a good height to sit at with ample leg clearance of 24" (61cm) all the way around. There are various signs of age and use but it is in good condition and is strong and sturdy. It has been cleaned and lightly waxed and is ready for use. The best description comes from the photographs so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
