Dimensions

Height = 27 cm (10.6")

Width = 27 cm (10.6")

Depth = 8 cm (3.1")

Description

A very attractive French Ships clock - timepiece of small proportions which has been mounted in a Mahogany surround. The dial is white enamel rather than painted and has clear Roman numerals. It's an '8 day' so if you wind it once a week it will not stop. A small regulation lever sits above the 12 o'clock. Fully overhauled and ready to go.

Internal Ref: French Ships Clock
