Description

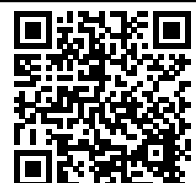

A beautiful antique Edwardian sideboard in mahogany. This was made in England & dates from around 1900-1910 period. It is a very useful and compact size, the quality is fantastic. The central bank of drawers are bow fronted, with lovely brass ring pull handles. The locking doors on either sides have brass grill fronts with wood panelled backing. This sits on bracket feet, the top and drawers fronts are beautifully cross banded, with ebony stringing. We have just had this re-polished to a very high standard, the condition is excellent for its age. There are just a few minor bumps and marks remaining beneath the polish here and there, commensurate for age. Width – 41 inches , 104 cm Depth – 18 inches , 46 cm Height – 34 inches , 87 cm
