Description

A well presented 19th century antique Welsh oak linen press cupboard. The antique linen press has a two door cupboard to the top, which opens to reveal a spacious interior with two fixed shelves. To the base of the antique linen press cupboard is an arrangement of three short over two long drawers, each with white ceramic knobs. Raised on four turned feet. A rather pleasing example, with a lovely honey oak colour throughout. Comes apart in two sections for ease of transport and movement. Finished with a fresh coat of natural wax. Item Ref; M-4814 . DIMENSIONS: Height - 205cm / Width - 128cm / Depth - 55.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the front and sides (pictured), also stains to the interior shelves (pictured). There is evidence of historic woodworm to the back (pictured), however this is now long gone and has been fully treated as a precaution. There is also a split to one of the feet (pictured), however this doesn't affect the overall integrity of the product. The antique Welsh oak linen press cupboard remains structurally solid and sound ...
