Description

Antique Edwardian quality brass carriage clock having a quality brass carriage clock with bevelled edge glass panels, 8 day movement and a shaped carrying handle to the top. In good working order. Dimensions: Height 14.5 cm (5.70 in) Width 8 cm (3.14 in) Depth 6.5 cm (2.55 in). Dated 1910. Condition / Servicing Note: Please note that antique clocks are complex and sensitive mechanical objects. While some clocks may be running at the time of listing we cannot guarantee ongoing performance without a full inspection and testing period by our specialist horologist. Where inspection, testing, or servicing is required this process can take between 2-12 weeks depending on the clock, the work needed, and current workload. This careful approach helps ensure the clock is properly assessed rather than rushed. Clock Warranty: All clocks purchased from London City Antiques are supplied with a 12-month warranty from the date of purchase. This warranty covers mechanical faults and failures arising from normal use. It does not extend to damage resulting from improper handling, unauthorised tampering, accidental or physical damage, environmental factors (including humidity, temperat...
