Description

A large 19th century chesterfield sofa chesterfield sofa raised on ebonized and gilt turned front legs with splayed rear legs, all on brass casters. Although unstamped this is probably by Gillows. In good solid condition and just requiring upholstery. The last time it was upholstered it appears that some foam was used around the back. It is comfortable and usable but worth pointing out. This can be changed if needed. As with all my upholstered seating I do offer upholstery should you wish. 217cm wide 95cm deep 69cm high
