Description

A 19th Century triple weight quarter chiming Vienna wall clock. The clock has an attractive burr walnut and ebonised case with canted corners and architectural pediment. The three-weight grand sonnerie movement within has a deadbeat escapement and Harrison's maintaining power which is fronted by a 7" two-piece enamel dial with Roman numerals. Striking the quarters and hours on two gongs, this is a good quality regulator keeping excellent time. All are clocks are offered with a twelve-month guarantee. Viewings arranged by appointment.
