Antique book - The Birthplace of Aerial Power - 1919

Price

Sold**Item Reference: SA1012465****Date of manufacture: 1920**

Description

A 1919 copy of "The Birthplace of Aerial Power 1919, The Grahame-White Company Ltd. Papered board cover with blue cloth spine, crease to front cover. I think the size is quarto 31 cm x 25 cm. Some wear to the internal hinges but the binding is secure, some foxing to the printed pages but not to the photographic plates. It is in very good condition for its age.
