Description

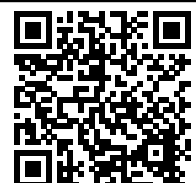

A lovely antique Victorian walnut occasional side table. This was made in England, it dates from around the 1870-1890 period. It is of superb quality, solid walnut throughout and it has a wonderful design. The solid walnut oval top sits on beautifully turned legs, joined at the base by an finely detailed gallery stretcher. The sabre shaped feet sit on porcelain casters. This is nicely finished on all sides, so can be used as a free standing item. We have had this revived and re-polished, it is in great condition for its age, with only some light surface wear and patina here and there. Width - 27 inches , 68 cm Depth - 18 inches , 46 cm Height - 28 inches , 72 cm
