Description

A superb pair of William Moorcroft florian ware vases of baluster form with waisted rim, decorated with white tube lined stylised flowers with shades of blue. Brown printed Macintyre mark, with W Moorcroft Des M 701 to each. These lamps have been converted (a long time ago) into table lamps. We have professionally rewired them in period style braided flex and PAT safety tested them. 14 inches high to top of the bulb holder In very good condition, with no damage or repair.
