Description

A well proportioned Victorian antique stripped pine chest of drawers. The antique chest of drawers has an arrangement of two short over three long graduating drawers, each with white ceramic knobs. Finished with a fresh coat of natural wax. A rather charming example. Item Ref; M-4794 . DIMENSIONS: Height – 100cm / Width - 106cm / Depth - 51.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the front, sides and top (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The back is not original and has a newly replaced plywood sheet (pictured). There are also age-related shrinkage splits to the top and sides (pictured), and minor losses to some of the knobs (pictured), however this doesn't affect the overall integrity of the product. The antique pine chest of drawers remains structurally solid and sound, with the drawers running well. Finished with a fresh coat of natural wax. Overall, a good example of its kind.
