Height = 29 cm (11.4")

Width = 27 cm (10.6")

Description

A lovely late 18th century leather and iron riveted fire bucket, with 'F. S. 20' to the front, indicating the bucket was likely originally associated with the Fire Service. The bucket is of a wonderful form and colour throughout. The whole remains strong and sturdy. Dimensions:- Height: 29cm Diameter at top (widest point): 27cm Diameter of base: 16.5cm DELIVERY UK Mainland: FREE International Delivery: Please contact us for a shipping quote.
