Description

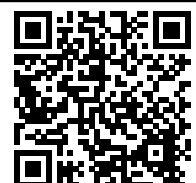

An attractive 19th century antique pine chest of drawers by 'Heals and Sons, London'. The antique chest of drawers has two short over three long graduating drawers, each with brass knobs. The pine chest of drawers is raised on a plinth base. Finished with a fresh coat of natural wax. Makers mark found to the inside of the top right drawer (pictured). Item Ref; M-4796 . DIMENSIONS: Height - 106cm / Width - 106cm / Depth - 53.5cm .

CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the front, sides and top (pictured). There is a patch repair to the top (pictured), however this doesn't affect the overall integrity of the product. There is evidence of historic woodworm to the back (pictured), however this is now long gone and has been fully treated as a precaution. The antique pine chest of drawers remains structurally solid and sound, with the drawers running well. Finished with a fresh coat of natural wax. Overall, a good example of its kind. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece ...
