Description

The extra broad border is very effective on this beautiful, antique Heriz. The drawing on the large blossoms is, as a result of the extra space, more rounded and bold, especially on the navy blue. Those colours really pop! Light blue corners beautifully abrashed and a rich, bulls blood background colour. Several shades of green and liberal use of pale gold, coral pinks, pale taupe- its a beauty! 10'2" x 13'6"
