Description

A beautiful antique colonial barley twist folding coffee table, likely made by the British in India, and dating from around the 1900-1920 period. It is very well made, the folding base is solid oak and beautifully crafted with a barley twist design. The circular top is solid wood with a sheet of beaten and etched brass over the top. It is in excellent condition for its age, with only some very minor surface wear here and there. We have given it a good clean and revived it with a gentle polish. Width – 24 inches , 60 cm Depth – 24 inches , 60 cm Height – 23 inches , 58 cm
