Description

A stylish and extremely well made pair of Art Deco burr walnut bedside cabinets. They were made in England, they date from the 1920-30's. The quality is outstanding, they have stunning burr walnut grain patterns, beautifully sculpted handles and they sit on lovely curved plinth bases. They each have three internal drawers which provide lots of storage space. We have had them stripped and re-polished to a very high standard, the condition is superb for their age.
