Description

A beautiful English cast solid sterling silver reproduction caddy spoon. It is hallmarked for London 1968 with the makers mark being that of C J Vander Ltd. It has been superbly made being in the form of a eagle, a copy of a famous earlier example. It is in super condition being free from dings splits distortions and repairs. It measures approx. 3 inches (7.6cm) long by 1.5 inches (3.6cm) wide and weighs 18 grams. A very nice example.
