Description

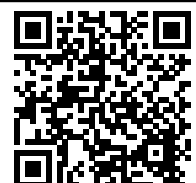

An excellent 19th century Country House bronze table lamp in the form of a dolphin. This unusual lamp is beautifully cast, the head, scales and tail are very crisply detailed. It stands on a tiered square base with an attractive leaf decoration. The condition is excellent, the lamp has been rewired to comply with the UK mains system and has been PAT tested. This very striking lamp would be an eye catching addition to any room. c. 1890 code: L1022 Height to top of fitting: 12.25" 31 cm Base: 5.25" x 5.25" (13.5 cm x 13.5 cm)
