Dimensions

Height = 76 cm (29.9")

Width = 65 cm (25.6")

Depth = 54 cm (21.3")

Description

This captains chair has been cleaned and refinished in our workshops and is in great condition. It has nice turnings and is in a good solid state. It has the more appealing rounded end to the arms, much more tactile and better looking than the more square later types in our opinion. These make a great desk chair but are surprisingly comfortable to sit in even as an extra or occasional chair.
