## Description

For your consideration is this exceptional Art Deco English walnut desk of good proportions and dating to the 1930's. A high level of craftsmanship and materials used is evident through out. Fabulous shape and styling will so easily integrate with modern and period furnishings. Heavily figured walnut veneers with a rich mid tone colouring. Double pedestal with three drawers one side and open shelving in the kneehole area the other. Original wooden bar handles with chrome accents. To one end is generously sized open recessed shelving , ideal for books. The top of the desk has a leather insert. The desk doesn't come apart it's one whole piece and therefore quite heavy. The back of the desk is also veneered and so can be a stand alone piece away from the wall if so desired. This is a great piece of furniture becoming increasingly hard to source. Fully restored and so comes to you in very good condition. FREE two man UK Mainland delivery.
