Description

This pretty SET OF THREE GRADUATED COPPER LUSTRE JUGS make a very eye-catching display. The colours are bright and the high glaze reflects the light well. They date from circa 1880. The JUGS are in good condition with no chips or restoration. The middle JUG has an old star crack to the base which does not detract from the overall look. Ideal for a Country Kitchen. Height of Tallest Jug: 4.5 inches (11.5 cm) Express delivery within the UK is included. We ship Worldwide and are happy to quote for Overseas Shipping on request.
