Description

Good quality Georgian inlaid mahogany sideboard, which from its design, is probably by an Edinburgh maker. The tiered back has a floral inlaid central panel with drawers and sliding compartments below, serpentine fronted base with an arrangement of baize lined drawers all with bone escutcheons and beautiful harebell inlay details to the tapering legs. With scuffs, marks and general wear and tear commensurate with a piece of such age, overall this substantial sideboard is in good, sound condition. Please contact us for further details. Reasonably priced delivery available. Height 53" 135 cm Length 72" 183 cm Depth 28" 72 cm all sizes approximate.
